& The figures are estimated by the international agency, when corresponding country data on a specific year or set of years are not available, or when multiple sources exist, or there are issues of data quality. Estimates are based on national data, such as surveys or administrative records, or other sources but on the same variable being estimated.

1 For statistical purposes, the data for China do not include those for the Hong Kong Special Administrative Region (Hong Kong SAR), Macao Special Administrative Region (Macao SAR) and Taiwan Province of China.

& Lorsque les données d'un pays sur une ou plusieurs années ne sont pas disponibles, ou lorsque plusieurs sources existent, ou s'il y a un problème de qualité des données, les chiffres sont estimés par l'organisme international. Ces estimations sont basées sur de données nationales comme les enquêtes, les registres administratifs, ou autres sources de la même variable estimée.
